## Apprendimento Socio-Emotivo

Emozioni, pensieri e comportamenti integrati in modo da affrontare le sfide sociali e personali di ogni giorno

---

---

---

---

---

---

---

---

---

---

---

---

---

---

## Responsible Decision-Making

L'abilità di compiere scelte costruttive sul nostro comportamento e nelle interazioni sociali, indipendentemente dall'ambiente in cui ci troviamo \*

## DECISION MAKING

1. Lasciare che questa capacità emerga
2. Promuovere i tentativi e non stigmatizzare gli insuccessi
3. Lo studente deve vedersi capace di risolvere i propri problemi (anche chiedendo aiuto)!
4. Piuttosto che rispondere, invitare a porsi delle domande
5. Promuovere la ricerca autonoma di informazioni, aiutando a crearsi un metodo efficace
