This topographic map depicts the Locana area in the Alps. The central feature is the Locana river valley, which flows from the northwest towards the southeast. The river is shown in a light blue color, with its tributaries branching out across the landscape. The surrounding terrain is characterized by steep, forested slopes, indicated by the dense green and brown shading. Several settlements are marked with red dots and labeled: Locana is the central town, while Noasca and Ribordone are located to the west and east respectively. The map also shows a network of roads, with major routes highlighted in red. A coordinate grid is overlaid on the map, with labels such as 41150, 4115E, 412NO, 412NE, 412SE, 423NO, and 423SO. The map is titled 'Locana' in the center, and the publisher's name 'F. L. L. L.' is visible in the bottom right corner.
