# The Urban Dialogue

## The "My Hanover 2030" urban dialogue

### The fields of action

- “How do we wish to grow?” - Economy, work, science and environment
- “How can we make Hannover a home for many?” – Living, supply, mobility and building culture
- “How can we create educational excellence and vibrant culture?” – Education and culture
- “How can we strengthen independent living and social involvement?” – Inclusion, integration and participation
- “What do we want and what can we afford?” – Finances
- “How do we want to work in the city government in the future?” – City government 2030

## The "My Hanover 2030" urban dialogue

### Impressions

- 200 different events
- around 17,000 participants
- Working together to find better answers to the questions as to the challenges of the future!
